Module 12 Action Research

Unit 12.4 Completing the Research Report

Tutors Assignment Correction Guide

This Guide is to assist you in the correction of the assignments for this unit.

If more than one Tutor is involved with student support in your institution, it will also assist in ensuring that there is a consistency in the weighting of assignments, and questions within assignments.

The Core Curriculum is designed to be offered utilising competency standards, so the elements that need to be included in answers are specified in this Guide. It will assist those who wish to use a competency assessment of Complete or Incomplete.

It is particularly important in the Caribbean to ensure that the assignments are assessed as indicated in the Guide, as Regional recognition is an ultimate (and desired) outcome.
